

JEWELRY FOR THE HOME

POTTER ART METAL STUDIOS

Located in the Dallas Design District, Potter Art Metal Studios is the place to go for the finest custom metalwork and lighting. For five generations, the Potter family's metalwork has graced some of the most prestigious homes in the country. Frequented by top designers, builders and architects, Potter Art Metal Studios' own artist/designer Izabela Wójcik will assist with the entire process of creating ornamental pieces of your dreams. potterartmetal.com; 214.821.1419

CONTEMPORARY ELEGANCE

LAURA LEE CLARK INTERIOR

The Laura Lee Clark Showroom in the Dallas Design District is growing into a one-stop gallery showroom. Recently opened April 2013, the new showroom gallery offers accomplished brands, such as Niermann Weeks, Julian Chichester and Visual Comfort & Co. lauraleeclark.com; 214.265.7272

A CREATIVE PASSION FOR RUG MAKING

MADISON LILY

Madison Lily features a large collection of modern, transitional and traditional rugs. It also offers the luxury of an in-house design studio, where you can imagine, preview and create specific designs under the helpful eye of Madison Lily's creative influence to generate a unique work of enduring art. Professionals will walk you through an original gallery of possibilities to accommodate the way you want to live. madisonlily.com; 281.940.7953
