AT HOME WITH BELLA VITA

Luxe Interiors + Design joined Bella Vita Custom Homes to celebrate the grand opening of its Preston Hollow model home. Guests toured the property while enjoying cocktails, hors d'oeuvres, hand-rolled cigars and live music. Bella Vita wants you to “live beautifully,” and this party enabled everyone to visualize him or herself doing just that.

FROM PAPER TO PRODUCTION

Luxe Interiors + Design teamed up with Laura Lee Clark Interior Design for From Paper to Production, a special viewing of the latest furnishings by Susan Hornbeak-Ortiz of Shine By S.H.O and designer Lucy Smith. Hornbeak-Ortiz creates fashion-forward lifestyle lines, while Smith's one-of-a-kind pieces are designed onsite in her Alabama studio.
